

NUMAN SAYYAD

Baramati, Maharashtra • 7058151583 • numann.sayyad@gmail.com • LinkedIn • GitHub • Portfolio

Professional Summary

Java Developer Fresher with a strong foundation in Core Java, Java 8 Features including Lambda Expressions, Stream API, Functional Interfaces, Method References, JDBC, Spring Boot, Microservices, and MySQL. Skilled in developing Java-based applications and RESTful APIs. Passionate about learning new technologies and building efficient, scalable, and high-quality software solutions.

Education

Bachelor of Computer Applications (BCA)

2023 – 2026

Savitribai Phule Pune University

Projects

ATM Banking System

- Developed a desktop-based ATM Banking System using Core Java, Swing, JDBC, and MySQL with secure login authentication, deposit and withdrawal transactions, balance inquiry, mini statement generation, and real-time database operations.

Student Management System

- Developed a desktop-based Student Management System using Core Java, Swing, MySQL, and JDBC with role-based authentication (Admin/Student), CRUD operations, dashboards, and MySQL integration using JDBC and PreparedStatement.

Employee Management System (Console-Based)

- Developed a console-based Employee Management System using Core Java, JDBC, and MySQL with layered architecture (DAO, Service, Controller). Implemented CRUD operations and database connectivity using JDBC for efficient data management. Focused on backend logic development and structured code design.

Student Enrollment Management System

- Developed a web-based Student Enrollment Management System using Java, Spring Boot, Spring MVC, Hibernate (JPA), JSP, and MySQL by implementing CRUD operations for student registration, update, deletion, and record management while following the MVC architecture for efficient data handling.

Skills

Languages & Frameworks: Core Java, Advanced Java, Java 8, JDBC, AWT, Spring Framework, Spring Boot, Microservices, HTML, CSS, Bootstrap.

Databases: MySQL, MongoDB

Tools Technologies Git, GitHub, Maven, VS Code.

Soft Skills: Problem Solving, Logical Thinking, Communication.

Certifications

Oracle Certified • IIT Bombay Certified

Languages

English • Hindi • Marathi
